SurfBabies and SurfKids is a fun and interactive program developed by Surf Life Saving WA. This 6 week program is aimed at children from 2-7 years of age and their parents to increase awareness, confidence and safety at the beach. All participants must be accompanied by a parent at all times and classes are altered to suit all abilities. If you’re a parent who is unsure of the beach environment then you and your child will benefit immensely. All classes are instructed by fully qualified Surf Lifesavers. This is a great way to ensure everyone feels safer at the beach coming into the summer months.
