Dear Parents/Carers

2025 SCHOOL CHARGES AND VOLUNTARY CONTRIBUTIONS

The Ardross Primary School Board has endorsed the following schedule of School Charges and Voluntary Contributions for 2025. The schedule is broken into four sections and will allow you to calculate all possible costs that you might incur throughout the next school year.

VOLUNTARY CONTRIBUTIONS

a) Voluntary School Contribution to support Curriculum Areas:

The School Board has reviewed our school Voluntary Contributions. The amount parents/carers are asked to pay has been maintained at the \$60 maximum set in the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in curriculum focus areas. While these contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

b) Voluntary P&C Contribution:

Other voluntary approved funds at Ardross Primary School include P&C Contributions of \$50 per student. This voluntary contribution is administered by the P&C Committee and used to fund and support school initiatives and focus areas that meet the needs of our children. The P&C hosts activities, events and fundraising initiatives throughout the school year and operates the Uniform Shop located on the school grounds.

c) Voluntary Student Well-being Officer Contribution:

The Ardross Primary School Well-being Officer, formerly known as the Chaplain, plays a vital role in supporting student well-being. Voluntary Contributions help us add an extra day of support, enhancing the government funding we receive in this area.

d) Sustainability Initiatives Contribution:

Ardross Primary School is proudly committed to sustainability. Funds raised from this voluntary contribution will be used to creatively and sustainably manage school waste, enhance environmental and STEM educational outcomes, and promote active citizenship in the school community

Each child returning in 2025 is issued with a Personal Items for Student Use list (Booklist) detailing recommended items for the new school year. The school has negotiated competitive prices for materials on this list, but you are not obliged to use our supplier. If you do wish to order through the school's provider, please follow the directions on the Personal Items List. These lists are also available on our website www.ardrossps.wa.edu.au.

A range of second-hand booklist items (minimally used, in good condition) will be available for purchase in the second half of Term 4 for a gold coin donation.

Your child will need to have the appropriate materials each school day so it may be necessary to replace some items such as pencils throughout the year.
