

P&C UPDATE

April 2019

MEET THE TEAM

Class Parent Rep Co-ordinator: Anna Belton

Anna has been a parent at Ardrross Primary School for 6 years and has three wonderful children at the school. Anna's eldest child is in year 5 and her gorgeous twin girls are in Pre-Primary. Anna's role on the P&C is the same as any other financial member as she actively contributes and votes on a range of topics. As the co-ordinator of all the class parent representatives for the school, Anna makes sure there is a consistent message sent out to all classes and manages the whole school volunteer pool groups.

UNIFORM SHOP

Phasing for uniform with the new school logo will begin in 2020 and as communicated via the school newsletter, there will be no end date for the transition from old to new logo. The uniform shop will continue to hold a limited amount of stock throughout the year and we are grateful to everyone for their understanding in submitting the winter uniform orders in advance. Our second hand rail will continue to hold stock as it becomes available, so please keep an eye out if you need extra winter items.

THANK YOU WOOLIES

Woolworths Booragoon at Garden City are a huge supporter of Ardrross Primary School P&C and regularly donate products to many of our sporting and extra curricular activities. This month alone the Woolworths Booragoon team provided over 80 fresh apples to our Year 4 Zoo Camp groups, fresh fruit for our interschool modcrosse and cricket teams and an array of delicious fresh fruits for a hearty fruit salad breakfast enjoyed by all who attended the Fathering Project Camp Out. Please show your support and gratitude to Paul and his Team at Garden City.

LITTLE EXTRAS

The P&C has been happy to support our very eager and extremely committed year 4 to 6 students who turned up at school from 7.40am every Wednesday and Friday, to participate in the optional swim training prior to their faction carnival. Upon their return to school, the children have enjoyed a warm milo or cup of tea on behalf of our P&C. The carnival was a huge success and the training clearly paid off – congratulations to all the children who participated.

FUNDING APPROVALS

The P&C is happy to have provided support to our faction swimming carnival by providing funding for *Timing Solutions*. This external company comes in to ensure all races are timed electronically, ensuring a professional and stress free solution to race winners. Congratulations to all of our fantastic swimmers from years 4 to 6, the carnival was a fantastic success and I'm sure anyone who was there will agree the level of sportsmanship was outstanding.

NEXT MEETING

WHAT WOULD YOU LIKE TO SEE DISCUSSED AT OUR MEETINGS? The next P&C general meeting will be held in the staffroom on Monday 13th May 2019 7.15 – 8.30pm. We would love to see lots of new faces, so please come along, enjoy a cup of tea or coffee and join in the conversation.
