

## Rationale

All public schools are required to have a dress code and students are required to comply with the code unless they have been granted an exemption.

At Ardross Primary School, our staff and School Board have established a Dress Code for all students attending the school.

## At Ardross PS...

The wearing of the school uniform at all times is encouraged.

Modification of the school uniform to meet the religious or medical needs of individual students can be granted by the Principal.

The P&C operates a school uniform shop. In addition, order forms will be available through the front office and online through the school website.

Clothing of the same style and colour may be purchased from alternate sources.

Acceptance of enrolment at Ardross PS assumes that parents will support the school's dress code.

### **Benefits of a Dress Code**

*A Dress Code...*
